

# Little Walter Blues Harp Lick 1

This is the tablature for the Little Walter lick I posted on youtube.com. here's the link to the lesson:

I'm using a Hohner Special 20 in the key of C in the video but any key harmonica will work for this lick.

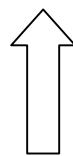

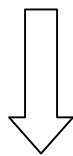

I heard this on one of the Little Walter Chess Master's recordings and I highly recommend these for fans of blues harp and Little Walter.

Be sure to watch you're counting when playing this and start slow until you have it down. As always, have fun!
